

Our 40th Year

Welcome to the Theatre Guild of Simsbury's production of OUR TOWN. Founded in 1972 by a group of Simsbury residents, TGS has grown and flourished over the last 40 years.

From its earliest days, TGS has opened its doors to people from the greater Farmington Valley and beyond, drawing both talent and audience from a wide area.

Membership in the Guild is open to anyone with even the slightest desire to try their hand at theatre —on stage, off stage, backstage, there's a place for everyone. Join us, be a part of a great tradition, and make new friends along the way. Did we mention it's fun? For more information check our website www.theatreguildsimsbury.org or email us at theatreguildsimsbury@gmail.com to let us know you are interested. We look forward to seeing you!
